### 2. CONTEXT

Novares is committed to innovation.

Driven by our passion, we listen to the needs of our customers, in order to anticipate developments - and revolutions - in the automotive sector.

We invent unique systems that radically change the interactions of vehicles with their passengers and their environment and that encourage the emergence of greener mobility.

The implementation of this call for projects responds to the objective of sourcing startups throughout the year.

### 3. WHAT NOVARES IS LOOKING FOR IN ITS PARTNERS

Novares is looking to work with innovative startups all around the world. We are particularly keen to collaborate with startups working on themes such as:

- Green mobility
- Intuitive and safe user interfaces
- Innovations to improve health, wellbeing, safety or comfort.

Novares wants to hear from you if your startup business:

- has been established for a year or more
- has raised at least €250,000
- has an idea that could be applicable in the automotive sector
